

MINISTRY TRAINING INSTITUTE

Leadership in Ministry Certificate | Program Completion Plan

The Leadership in Ministry Certificate Program (without endorsements) is designed for those seeking to grow in both biblical and theological foundations and gain knowledge and experience in areas of general ministry leadership. The desired outcome of this track is to equip individuals who have a clear call to ministry leadership. This program includes course work, mentoring, targeted seminars, and is capped off with the compilation of a ministry resource binder project. Advanced endorsements may be added to this certificate.
