TRAINING INSTITUTE

Leadership in Ministry + Certificate | Program Completion Plan

The Leadership in Ministry Certificate **with endorsements** is designed for those seeking training for senior ministry leadership roles (i.e. pastors, church planters, or missionaries). The program contains common core elements, including study in bible and theology. The program also allows for students to participate in both self-directed and guided study in a ministry area of their choosing. The guided study will take place in the form of elective courses, which will take place during the final year of the 3 year program.
